Which True Church will God save?

All Churches Are A True Churches but not all churches are the first Church ever to exist on planet earth. The Catholic church tells this truth they are the first church ever to exist on planet earth.

Take careful note the church of Satan in San Francisco is a -true Church.

Truth is the God of the Bible did not start any kind of any Church in the entire world.

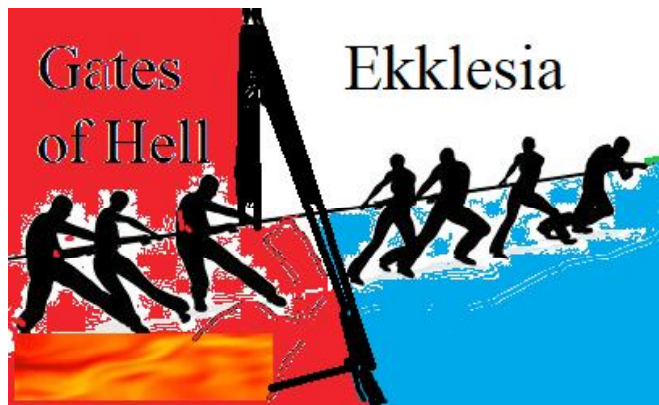

You see and hear people make this statement; “We are the restored Church of God,” when God did not start any church to be restored.

We hear “we are the restored Church of Christ” when the truth is The Christ of the Bible did not start any kind of any Church to be restored.

Truth and sometimes true history is so shocking that the truth becomes too hard for some to believe.

Truth is, The God of the Bible did not say that He will save anyone in any true Church. Anyone that can read the ancient languages of the Bible can easily see, the word Church is a false Bible translation because; 1) the function of a passive church can only divides the Saints of God. Look at the thousands of different churches with thousands of different church doctrines

2) A Passive Church that divides the Saints is just the opposite of the hot militant warfare of the Ekklesia of God that is made to -Unite The Saints. The purpose of Ekklesia is in design by God is to fight the gates of hell to protect truth of the Gospel of Christ.

In the early fourth century The Roman Emperor Constantine started The part pagan Catholic Church.

Constantine Hated Ekklesia and he -Stopped allowing the conduct of Ekklesia (The Latin Ecclesiam) and started the first church in the entire world.

The word “church” or word equivalent for Church is not written just once in the ancient manuscripts of the Bible.

Anyone that reads the ancient Greek language of both the Old Testament Septuagint and the New Testament Greek can easily see the word Ekklesia in word definition is a warfare that is designed by God to protect the instruction from God and Ekklesia is nothing created like any passive Church. The Ekklesia of Christ a hot militant warfare established by God to fight the gates of hell and to protect truth of the Bible. Ekklesia is not anything like the name derivative from then ancient pagan name of the pagan goddess “Circe” that evolves over centuries to become the name church. Rev 18:4-5 God Commands us to come out

of our mother Church. Tonight You can take to bed with you the pagan name “church” a name derived from the pagan goddess “Circe.” Know for certain tomorrow you will die in a church and God have mercy on you for not repenting from the pagan -conduct in the false name of a Church.

” For your eternal life, do not be deceived, the derivative, the etymology or the history of the passive word “Church” is as pagan in religion as you can get.

That is a bold and a very serious Statement. If you love truth you will research the world of difference between a Church and the established Ekklesia of Christ. See this article at the web site www.ekklesiabible.com Learn the truth in “Who started your Church?”

If you are only in a true church and all churches were started first by the Great Whore, then the God of the Bible gives us warning He will not have mercy on us unless we come out of all Churches made first by the Great Whore. From heaven God gives us warning and He calls us to come out of all churches or else we will suffer as the plagues of being in a church started first by the mother of all churches (See Rev 18:4-5). Who really can believe that our God is calling his people from heaven to come out of all Churches, all churches that were made first by “the great whore?”

Truth is The God of the Bible only Established His “Ekklesia.” The God of the Bible gives instructions only for conduct of His Ekklesia and if your church does not conduct selves like his Ekklesia then the fact is, you will not be saved in any church.

To deceive the Saints, The word “Church” is falsely mistranslated into the English language by devils as being word equivalent from the Greek word “Ekklesia.”

In the entire world, there is no word equivalent for the Greek word “Ekklesia.

The false translated name “Church” is not translated as a true word Equivalent for the Greek word Ekklesia.

Then the Greek word Ekklesia must be transliterated into other languages and the Bible student must learn what is word definition for the Greek word Ekklesia

A world of people hate the instructions that God has established for the conduct of hot militant warfare of His Ekklesia and they choose rather to stop “Ekklesia” and become only a true passive name “Church.” There is a world of Pope, priest, preachers and Bible teachers that hate with a passion the true word Ekklesia. Anyone that cares less for truth and they only reason they are preaching and teaching is for money, power and prestige they hate with a passion the purpose of Ekklesia. “Ekklesia” allows members to make dispute over any apparent false instructions making the claim to be from God. The deliberation must be made before the entire congregation of the Ekklesia and only the Ekklesia is to determine what truth is. Now it is easy to see why most false Bible teachers hate the purpose God has established for His Ekklesia.

Since the God of the Bible did not establish anything like any true Church then why would you want to name self a “Church” to become in part Catholic.

Question Why want to become a church only because there are a world of people that hate the warfare conduct of Ekklesia and they hate the instructions that God gives to his Saint to conduct selves against the Gates of hell in hot militant warfare of his Ekklesia.

Why do I see the word “Church” written in every most popular translated Bible in the world except “The Ekklesia Bible translation?”

Because the people like, The Roman Emperor Constantine and the other rulers of the Catholic church that hate Ekklesia and they totally stopped the instructions that God has established as Ekklesia, then reason why you now see the word “Church” mistranslated in your Bibles.

In the early fourth century The Roman Emperor and rulers of the Catholic church stopped allowing conduct of Ekklesia and they totally stopped allowing Ekklesia (the Latin Ecclesiam) and then started the name that has evolved over the centuries to become a “church.”

Now pay close attention, it was the Catholic church that has made the first so called Bible translation into your English language.

What is the First Bible written into the English language and who made the first Bible translations into the English Language?

John Wycliffe a member of the Catholic church

1) The Wycliffe Bible Time AD 1385.

The First English Bible translation was made in the English in 1385 CE.

2) The Name of the first English Bible translator.

John Wycliffe a member of the Catholic Church.

Wycliffe Bible translation Mat 16-18

18 And Y seie to thee, that thou art Petre,

And I Say to thee, that thou art Peter

and on this stoon Y schal bilde my chirche (Chirhe is pronounced “Kirke” the Greek name for “Circe”),
and on this stone I shall build my Kirke

and the yatis of helle schulen not haue miyt ayens it.
and the gates of hell shall not have might against it

3) What manuscript was the source of this Catholic Bible translation? This Bible translation made only from the Catholic Catechism and the Latin Vulgate.

Take careful note; To this day the Wycliffe Bible translation will set the Standard for all the more popular Bible translations. Now take note The Wycliffe Bible was not made from any ancient Bible manuscript. No trusted or reliable Bible manuscript of the Bible was used to make the Wycliffe Bible translation. This Wycliffe Bible translation was made only from both the Catholic Catechism and the Latin Vulgate.

For certain The name “Church” John Wycliffe had to have copied the name “Churche” directly from out of “the Catholic Catechism” and translated into the Wycliffe Bible because, the name “church” is not written just once in the Catholic Latin Vulgate. The Latin Vulgate only has the Latin name of Ecclesiam.” Don’t let this fact escape from your good reasoning. The Latin Vulgate is translated to have the Latin Word Ecclesiam (Transliterated from the Greek name Ekklesia.)

So do some good reasoning for your eternal life,

Why does the Catholic church have written in their Latin Bible the true Bible word Ekklesia but in the Catholic Catechism (Instruction making the claim to be from God) for the people, they only allow their people to know the pagan word “Church?”

” If you do not care about the above facts for your eternal life, my friend you waste your precious earth time just reading this article.

So the name Church is only from the Catholic Catechism in all your most popular Bible translations and the word church or the word equivalent to a Church is not from any ancient Manuscripts of the Bible.

Today -All the most popular Bible translations copy names of blasphemy made first in this Wycliffe Bible translation. The name “Church” is a name of blasphemy, is just one of many names of blasphemy made for pagan worship that is copied directly from The Wycliffe Bible and today the same names of blasphemy found written in the Wycliffe Bible is mistranslated into all the most popular Bible translations. The Ekklesia Bible translation removes “names of blasphemy” found in all the most popular Bible translations.

Now this is the honest truth of the facts that no honest person can deny, the very first organization in the entire world to identify self as a Church is the Catholic Church.

This also is a fact the Catholic Church is the mother of all churches in the entire world. Believe the true teaching of the Catholic Church; the members of the Catholic Church is telling us the truth, the Catholic Church is the first church ever to exist on planet earth.

Don't believe the Catholic church when she is teaching was God that established any kind of any Church.

Here is a fact you can bank your eternal life upon this fact, The God of the Bible did not start any kind of any church.

The problem is the God of the Bible did not start anything like any kind of any "Church" in the entire world.

Then you question Why is the word "Church" written in the Bible if the God of the Bible did not start any kind of any church?

The word church is written in the Bible because the first Bible translation that is made in the English is made by members of the Catholic Church that hate

the warfare Ekklesia that is in continual warfare being made against the false teaching of the gates of hell (Mat 16:18). The Ekklesia of Christ fights a continual warfare for true instructions (the Catechism) from God.

The Catholic church changed the name Ekklesia (the Latin name Ecclesiam) to the pagan word “Church” to deceive their church members and to stop allowing the warfare function in conduct of warfare of The Ekklesia of Christ that determines true instructions from God.

All deceivers teach to deceive when they teach the lie that the name “Church” is supposed to be a name equivalent for the Bible Greek word Ekklesia.

It was the Catholic Church that has translated your Bible that has the name church and the members of the Catholic church are the culprits that has mistranslated your Bible and put the false name Church in your false translated Bible records.

In history truth is the Catholics were the first to call self a “church.” Truth in history is the modern word “church” has evolved over the centuries from the

derivative from the pagan goddess with the Latin name of “Circe.”

In the early fourth century at the beginning of the catholic church, The pagan goddess of the name “Circe” was a goddess of sexual fertility and round things. For the Roman rulers that were worshippers of the pagan goddess “Circe worship” or “circle worship” made to the sexual fertility goddess “Circe.” Take note the worship to the goddess Circe was made in buildings that were made double round a large round room and an small round room called the apse. “Circe” or “circle worship” was very popular in the early fourth century and was Circe worship was competing with the Christian worship. The goddess Circe and Constantine the Roman Emperor that started the Catholic church made double round buildings for Christian to mix Christian worship mixed together with pagan worship and these round buildings still stand today as a witness to show who has started the first church.

The pagan Latin goddess whose name is “Circe” is The same Latin goddess whose name is “Circe” is a direct adaptation from the Greek word “Kirke.” Truth in history is the Catholic church were not the first to name self from the derivative of the pagan name “Circe.” The pagan name “Circe” the derivative of the name “church,” has over the centuries evolved to become the modern name Church.
