

Why Name Self By The Blasphemous Name of A Church?

Do You Know Why You Name Self A Church?

Did you know that there are over a billion professing Christians that hate God when they hate the name the Ekklesia of Christ and they hate with a passion the purpose of the Ekklesia that God has established for their salvation. Christ gives us this warning in the Ekklesia Bible translation John 14:15. If you agape love me keep my commandments. Ekklesia of Christ is a commandment. If you do not know the Commands of Ekklesia of Christ then you do not know God.

We warn you when you refuse the Command to “Ekklesia” and refuse the command in the conduct of Ekklesia you hate the commands of God and therefore you hate God. For your eternal salvation, Do not make this Bible study from any of the more popular Bible translations. Make this Bible study only from the Ekklesia Bible translation or only from the ancient languages of the Bible.

For over seventeen hundred years, there exist billions of the Saints of God that have no knowledge of the Ekklesia of Christ because of false Bible translations and false Bible interpretation. Leaders of the Catholic Church are the first to hate God and with a passion, to this day members of the Catholic Church hate the purpose that God has established for his Ekklesia in the everlasting Kingdom of God.

What is so strange there exist multitudes of the Saints that follow the Catholic Church to hate God without realizing they hate God by hating the purpose of the Ekklesia established by God to protect truth.

The Ekklesia of God is designed by God to stop the ability of the Gates of Hades (or the gates of Hell) from teaching false instruction (catechism) and then making the false claim that their instructions is from God. A False instruction deceives the Saints of God.

“Ekklesia” is the tool of God made by God to protect truth and to unite the Saints of God and to stop deception. What can be so bad about the purpose of the Ekklesia of God made with the primary purpose to protect truth for your eternal salvation?

There are many very important Bible questions that could be ask that most that profess to be “Christians” but they have no clue for the true answers. Why do you call self a “Christian?” Why do you call self a Christian when the word “Christian” is written only three times in the entire Bible? Did you not see written just once, God the Father, Christ the son and the Holy sprit identify the people of God only as Saints of God but never speak about the people of God as being a ‘Christian’ –not just once? 1Petros 4:16 Petros did say if you suffer when you are persecuted as a “Christian” but take note Peter is not just once is h naming the Saints of God as being the derogatory name of “Christian.”

Take note and look at the overwhelming evidence, the word “Saint’ or Saints of God is written over three thousand times in the Bible records as “The Called Out” people of God. The word “Christian” was at the first a colloquial degrading or a derogatory name the enemies of God gave to denounce the Saints of God. Why do you name self a “Christian” today is only because the Catholic Church, the Mormon Church and the Jehovah’s’ Witnesses separate the “Christians” as being a different persons from being the Saints of God? Make this Bible study and restore the true name Saint with the word meaning the person is holy, sanctified or separated to God from the world.

Be honest do you investigate when you hear the members of the Catholic church teaching Bible and telling you that the Catholic church are the preservation of the word of the Bible and that all source of the Bible translations are made directly from the Catechism (Instruction) from the Catholic church? The Catholic Church is not lying when her leaders

are teaching that they make the standard for all the more popular Bible translations. Believe the leader of the Catholic church when they teach they are the only true Church in the entire world. The first Bible Translation into the English is made by the members of the Catholic Church the Wycliffe Bible.

Take careful note The Wycliffe Bible made in about 1385 CE, is a very clever Bible mistranslation that is the first Bible translation made by the Catholic Church for Protestants. The Wycliffe translation is not a Bible translation from any ancient Manuscript of the Bible. The Wycliffe Bible is a translation made from only from the Catholic Catechism and from the Latin Vulgate. Found first in the Wycliffe Bible are all names of blasphemy mistranslated in the First Bible translation and all names of blasphemy created to deceive by the Catholic church are written to this day in all the more Popular Bible translations.

Be honest, how much time have you spent in the ancient languages of the Bible just investigating this claim the Catholic church is what she claims to be the source of all your modern more popular Bible translations?

Do you name self a “Church,” after you have heard the members of the Catholic Church teaching you this truth that they are the first Church ever to exist on planet earth? So in Bible translation made first by members of the Catholic Church they first remove the true name Ekklesia and then they add the false name Church to your translated Bible records. Members of the Catholic Church make the Claim they have the right to make changes in the Bible records for the Protestants to make Protestants believe like Catholics that they should be only a passive Church and not in the hot warfare of the Ekklesia of Christ.

Have you at the least made this investigation into the ancient languages of the Bible to discover what the Catholic Church is

teaching is truth? To this day in the twenty-first century, know the fact that you wear the name church only because the Catholic church is teaching the truth that the catholic church hate Ekklesia and they stop allowing Ekklesia and then The Catholic church are the first to start the first most passive church ever to exist on planet earth? Passive meaning subject to self to the false teaching of the Pope and is subjection do not make a dispute when you have the pope telling lies about instruction (Dogma) making the Claim to be from God.

Be honest have you made research into the ancient languages of the Bible to discover this fact that The Catholic church is teaching facts that “You do not exist as a Church but only from the fact that the Catholic Church is the first church or the Catholic Church is the mother of all Churches in the entire world. The Catholic Church is teaching you the truth she is the only true church.

Be honest did you do your home work and did you discover that the Catholic church is the first Church but in truth of the ancient languages of the Bible the God of the Bible did not start the Catholic church or any other Church in the entire world? Be honest how many years in secular history and research in the ancient languages of the Bible did you research to discover that the Catholic Church is telling you the truth they are the first church ever to exist on planet earth?

Now be honest, how much time have you actually spent researching the Claims of the Catholic Church that they are your only source of the standard or the root of all your most popular Bible translations? Look at this question carefully?

Be honest, the Catholic church is teaching truth that All Bible translations are rooted first in the doctrine (instructions) of the Catholic church. Catholic members teach this truth, it is only the members of the Catholic Church that has made all Chapter

numbers and all verse numbers in all your most popular translated Bibles. Take note the Catholic Church did not make all Chapter numbers or verse numbers for the Ekklesia Bible translation. This true chapter and verse number in the Ekklesia Bible is not made to mistranslate the resurrection record of the Christ to be at Sunrise but instead Christ did resurrect at sunset.

The Catholic Church will use Chapter numbers and verse numbers to manipulate many very important Bible verse numbers in all your Bible translation. Do you know this fact for certain in all your more popular Bible translations that the members of the Catholic church twist and manipulate chapter numbers and verse numbers in Bible translations to make your translated Bible fit their false doctrine of the Catholic Church? For your salvation, we will show this fact very clear in this article, how members of the Catholic Church deceive you in the more popular Bible translations.

For your salvation, do you very clearly understand these most important Bible questions that demand truth for your salvation? Do you hear the leaders of the Catholic Church when they tell you that in your Bible translation, the Catholic Church are teaching that they have set your Chapter numbers and your verse numbers in your translated Bibles to fit the Catholic doctrine for the Catholic Church?

What ever you do we warn you to keep in your memory this fact that the Catholic Church has made Chapter numbers and verse numbers to fit the Bible translations to their Catholic Catechism that supersedes over your Bible translations. If this fact does not get you concerned about your salvation from false Bible translations made first by the Catholic Church, then guaranteed there is no hope for you.

Would you in all honesty believe this fact, If we the Ekklesia of Christ show you how without a doubt that the catholic church

through the manipulations of Chapter numbers in false translated Bibles have changed the true resurrection moment of the Christ from Sunset to a sunrise resurrection? The true resurrection moment of the Christ is the backbone for the belief of the Saints. To wreck the true resurrection moment of the Christ and create false contradictions in the resurrection moment of the Christ will only make more Bible agnostics and unbelievers.

In your most trusted modern Bible translations, The Catholic church translates first to make the record of the resurrection appear to be at sunrise resurrection instead of the true resurrection records of the Christ was at dusk or sunset of the evening.

The Catholic Church makes chapter numbers in all the more popular Bible translations for the Catholics but -not for reasons for your salvation but to deceive you into believing the Christ resurrects at sun rise on the day of the sun god or Sunday. What is even more deceiving in their Bible translations is they

resurrect their Jesus on the day of the sun god the first day of the week of the seven sky gods and the ignorant people have no clue right in from of their eyes the Saints of God are being deceived about the true resurrection moment of the Christ.

Now take careful note, the Catholic Church members do -not make chapter and verse numbers in the Ekklesia Bible translation. Read and see the world of difference in the true resurrection records in “The Ekklesia Bible” to see the world of difference in true Bible translations.

Note the world of difference in the resurrection record of the Ekklesia Bible translation Mat 28:1; Mark 16:1-9; Luke 24:1; John 20:1; Hebrews 1:5-9.

See the conspiracy of the Catholic Church in chapter numbering to change the resurrection moment made with the purpose to deceive you about the true resurrection moment of the Christ.

See this false Catholic Church Bible translation in the manipulation of Chapter numbers and verses in this record of Mark chapter 16:1 and the purchase of Spices in the Catholic King James version of the Bible. 1 ¶
And when the Sabbath was past, Mary Magdalene, and Mary the mother of James, and Salome, bought spices, that they might come and anoint him.

The true record of Mark chapter 16 verse 1 is written in the Ekklesia Bible translation
“Now when the Passover Sabbath was past and not the seventh day Sabbath (see Luke 13:56).

Now See the Ekklesia Bible translation of Mark chapter 16 verse one. There is no record of the purchase of spices in the morning of Sunday in the sixteenth chapter of Mark.

16:1 } And very early on the [day] One of the seven solar days, they come to the tomb when the sun was risen.

Why in the Ekklesia Bible translations is there no record of the purchase of spices in the first verse of Mark Chapter 16. In the Ekklesia Bible translation, the record of the purchase of spices was moved back to where the record should be at the end of the fifteenth Chapter, to parallel the same record of the purchase of Spice in Luke 23:56. Because there was no purchase of spices on this resurrection day (see facts of the Parallel record when the same women made the purchase of Spices in Luke {23:56} And they returned [after the Passover Sabbath] and prepared spices and ointments. And on the [seventh day] Sabbath they rested according to the commandment. This is just one of the most important Bible translations that the truth in Bible translations is restored in the Ekklesia Bible translation of the true resurrection moment of the Christ.

.
Be honest have you investigated the Claims made by the Catholic Church and your so-called Bible translations?

Be honest How much time have you spent researching the claims of the Catholic Church as the Catholic source of written “Bible time” in your catholic Bible translations. Do not you dare overlook this one of the most important aspect of the entire Bible is the awesome records of astronomical miracles of God in Bible “Set Times” to worship, times set by God for His Saints to worship.”

The Catholic Church teach they have the right to change “Bible time and set times to worship God” and they have the right to change the Bible records of the awesome astronomical miracles of the set time events of God to worship in their Bible Translations. We warn you, if you accept false Bible translations made by the Catholic Church and hate truth in Bible translations you hate God.

Take note the Catholic Church teach this fact and they tell you that they did change Bible set times of God in your Bible translations. Be honest do you care that the Catholic

Church has changed all the miracles of astronomical Set Time Events of God to worship in all the more popular Bible translations?

Be honest, just how well do you know and understand the awesome astronomical miracles in the ancient Bible records that God has made to put the most convincing power in the gospel records of the Christ? Be honest how many years have you made such a Bible study?

Read the Ekklesia Bible translation, and study the true translation made from the ancient languages of the Bible that will show, the astronomical miracles of God that will show the different parallels of astronomical miracles to put a great convincing power in the gospel of Christ and the true resurrection moment of the Christ at dusk on the night of the Day Mia.

Here are Examples found in the Ekklesia Bible translation.

1) See Ekklesia Bible translation in Genesis chapter one verse one and two. God creates awesome astronomical miracles in the creation of the universe and the dark of the evening at the moment of the beginning of the creation of the dark and the universe. Take careful note, the Dark is a creation of God. The Dark will never occult on and off. Only the light will occult on and off. Isaiah 45:7b God Said “I create light I made the dark.”

2) Do not overlook this Time miracle of God and the Parallels found translated correct only in true Ekklesia Bible translation, See Ekklesia Bible translation the Christ will resurrect in the astronomical miracle in a time parallel of the same exact moment of the creation of the dark and the universe. Also there is found the time Parallel to a Dusk of the evening or the exact moment Christ was finished entombment at the Greek “epiphosko” see Greek Luke 23:54. See Christ will resurrect on a time parallel to the same exact moment of “Epiphosko” dusk of the evening and on a time parallel of the

same moment he was entombed and a time parallel of the astronomical miracle of the creation of the universe see Greek word “epiphosko” in Mat 28:1. The astronomical miracle of the resurrection, at Dusk on the day “Mia’ or “day one” is the exact parallel of the same moment of the astronomical miracles of God creating miracles in the creation of the dark and the Universe (Gen 1:1-2). We in a true Ekklesia Bible translation reveal a mighty power of God to create astronomical miracles over thousands of years and make other astronomical miracles to parallel one miracle to the other.

3) See The Ekklesia Bible translation ACTS 2:1. See also this parallel of this astronomical miracle of God, the Greek word “Sum-plee-roo” (filling up to the full the 49 days for Pentecost). Pentecost is an all night celebration. The dusk or beginning Celebration parallels the moment of the beginning Creation at the very beginning of dusk of the evening on the day Mia the Hebrew Echad or day One. The beginning night of the astronomical miracle of the Holy

Spirit at Pentecost is on the same parallel to the astronomical miracle of given the power of the holy Spirit to the Apostles in the beginning of the all night celebration of Pentecost and which is the parallel to the astronomical miracle of the creation of the universe and the astronomical miracle made by God at the exact resurrection moment of the Christ. Look only in the Ekklesia Bible translation at this great power of God to Set Astronomical miracles the parallel to one another in true Ekklesia Bible translation that can not be manipulated by the men that are writing the Bible records. To see this awesome convincing power of God to make exact paralleling certain astronomical Time Events in true Ekklesia Bible translation, becomes the death knell for all false Bible translations and for atheism, agnostics and the false teaching of evolution.

4) The restoration in the Ekklesia Bible translation shows clearly, The astronomical miracle of the resurrection moment was on the 18th day of the moon Abib, an exact

parallel to the same moment of the astronomical miracle that all Israel crossing the sea (Genesis 14) and the 18th day of the moon Abib Parallels the miracle of God at the exact resurrection moment of the Christ. Now if paralleling these facts of astronomical miracles of God are not clear to you, it is only because your Bible is mistranslated first by the Catholic church in the artificial time mode and not in the eye measure -The Natural time mode. The Ekklesia Bible translations removes from false Bible translations all Catholic doctrine and all the blasphemous names the Catholic church has mistranslated into the other more popular Bible translations. These examples are just “the tip” the restoration of the power of God in true Bible translation of the Ekklesia Bible translation.

Which complete opposing Bible translation will you choose for your eternal life?
Download for free the Ekklesia Bible translation at this web site
www.ekklesiabibleproject.com

Question and be honest in the answer, as a Bible teacher can you show your students from your Catholic translated Bible just one of the greatest powers of God is in astronomical miracles that will parallel one another over thousands of years to prove the most convincing power of God in Bible records?

God Parallels astronomical miracles to put convincing power in the Bible records to show it is impossible for the Bible writers to manipulate these astronomical set time events of God. In Bible translations if Bible translators remove or change these astronomical miracles of God, this change in Bible records of astronomical time events will wreck the gospel plan of God to convince the Bible is God breathed.

False bible translation make contradictory set time event of God and make cripple the Gospel of Christ. Even the most intellectual Bible students has no idea what you are

talking about “Records of Astronomical miracles of God” that parallel one to the other near to the exact consecutive moment, times parallels made over thousands, some say trillions of years apart. See the power of a true Ekklesia Bible translation of the true resurrection moment of the Christ that is an exact Parallel to the same moment that God created the astronomical miracle of the dark and the universe..

Bible records is impossible to be parallel, because of false Bible translations made first by the Catholic church is a complete different method of measuring Bible time and false Bible translation have changed Bible set times of God in false Bible translations.

Believe it Christ was in the heart of the earth for three full days and night just read the Ekklesia Bible translations and see the power of God to convince the most doubtful atheist or Bible agnostic in this true Bible translation.

If you truly are a Saint that belongs to God, hear the warning from Christ when he gives you warning the only sign God will give to you to prove Y'ehsus is the Christ is “the sign of time” the sign of “Set times of Jonah” and the great fish (Mat 12:40).

Christ gives warning the only sign is “Three days and three nights in the heart of the Earth.” Be honest when you read your Catholic translated Bible and you look back from the crucifixion and the body of Christ entombed at dusk (epiphosko) on Friday night and resurrected after Sunrise on a Sunday morning you can not possibly see three full days and three full nights in the heart of the Earth. If you do not allow the ancient languages to Bible speak but instead you choose the Catholic translated Bible that says Christ was in the heart of the earth a full three full days and three full nights in the heart of the earth but he was not in the heart of the earth three full days and three full nights in false Bible translations. When you read the Catholic translated Bible records do

you instead see there is only a world of Bible contradictions in the translated Bible records –Be honest? Be honest, do you live with a Bible full of contradictions in the resurrection records made for you first by the Catholic Church?

Download for free Wycliffe Bible translation and Read this Bible contradiction made first in the Wycliffe Bible by members of the Catholic church. Also read the King James Bible a copy of the Wycliffe Bible Mark 16:1-8. Take note of this apparent Bible contradiction that is saying the women will come to the tomb after sunrise and they will purchase spices After the Sabbath day on Sunday morning to apparently bring spice to the tomb on Sunday. Meaning to make the record appear the women did not know Christ has already resurrected some twelve hours earlier. Look at this apparent Contradiction in the king James Bible translations “After sunrise the women came to the tomb but the women “said nothing to any one; for they were afraid.” All other records say after the

women went to the Tomb they went and told everyone. This time coming too the tomb after sunrise they will not go and tell anyone. Now take note, there is no contradiction in Mark 16 verse 8 but the contradiction is in verse one -the Purchase of spices on Sunday which is say the women purchase after the seventh day Sabbath and after midnight on a Sunday morning. Luke clearly records the same women and the purchase of the Spices was after the Passover Sabbath and not after the Seventh day Sabbath on a Sunday morning. To purchase Spices on a Sunday morning is placing the purchase of Spices after the wrong Sabbath day. To translate to place the purchase of spice on Sunday morning is translated in the wrong chapter by the Catholic church who made chapter numbers for all translated Bibles except the Ekklesia Bible translation.. In Mark the purchase of spices should be translated to be at the end of chapter 15 just the same as Luke 23:56 is at the very end of the chapter. This clever adding the purchase of spice by manipulating chapter and verses by the

Catholic church is making the apparent contradiction of Mark 16 verse 8.

Note in their Latin Vulgate THE CATHOLIC CHURCH Confidently REMOVES THEIR CONTRADICTION by removing part of this verse in their Latin Vulgate translation to cover the record saying “the women did not go and tell anyone.” See Latin Vulgate Mark 16:8 at illae exeuntes fugerunt de monumento invaserat enim eas tremor et pavor et nemini quicquam dixerunt timebant enim timebant.

The Wycliffe and the King James Catholic Bible translation, Act 2;47 “God adds to the Church.” The record actually reads God adds to the Ekklesia. The most trusted manuscripts do not have this addition of the Word “church” or the Greek word “Ekklesia.”

In the entire ancient languages of the Bible, there is not even a hint to the false Bible

translation of the blasphemous word
“church.”

It is a Bible teaching fact that you will not be saved if you are -in any church and at the same time, you are -not in the Ekklesia of Christ. Here is the record of the oldest first century teaching from the Bible teaching in the first to the third century Romans in the Latin language. From the first Century a true teaching, so be honest and examine this most ancient Roman Latin Statement of Faith by the Saints of God very carefully.

Roman Latin “Extra Ecclesiam Nulla Salus”
Outside the Ekklesia of Christ There is No
Salvation

Be honest, go online, and research this fact that, outside the Ekklesia of Christ there is no salvation. The fact is to be only in a true “Church” there is no salvation. Note carefully, in secular History, for the first three hundred years in the Roman Latin there is no such organization with the false name of a “Church.” For the first three hundred years

after the resurrection of the Christ, there was no such name as a “Church.” See our article “who Started Your Church” at this Web Site. www.ekklesiabible.com

In the first three hundred years after the resurrection, there exist only for Roman “Saints” and it was only the enemy of the Saints that were calling the Saints by the degrading name of a Christian. In the first three hundred years there was no church, the Roman Saints were only mention in the entire Bible to be only in the Latin Ecclesiam (or the Greek Ekklesia) of Christ.

The word church is not written just once in the Catholic Latin Vulgate. The word Ecclesiam (Ekklesia) is written in the Catholic Latin Vulgate Bible and the word Church is found written only in the Catholic Catechism. Guess why the Catholic church translates bible for protestants with the false word “church?”

In the first three hundred years in Rome, there exists only the Roman “Ecclesiam” (the

Greek Ekklesia of Christ). There exists no church of any kind before the early fourth Century. Now there did exist before the fourth century the Name derivative for the word Church and that name was the pagan name of the goddess “Circe.” To see how the name Circe is the derivative of the name “Church” see our article; “Who started your Church” at this web site www.Ekklesiabible.com

The opposition makes the argument that a “Church” is the same as the Ekklesia of Christ. Even the Catholic Church that starts all churches disagree that the Church is the same as the Latin Ecclesiam. Members of the Catholic Church that start all churches are teaching truth that the pagan name “church” is not the same as the name Ekklesia of Christ.

The Catholic Church teaches the difference in the Catholic Church and the Latin Ecclesiam (The Bible Ekklesia) is a “mystery” that only the members of the

Catholic Church know the answer to this mystery of the difference between the word church and the Ekklesia of Christ.

The world of difference in the word Ekklesia and a church is the Ekklesia of God is the tool of God made to protect truth in doctrine (Instructions from God).

A church made first by Catholic is designed to make people subjective or passive so they can be taught lies from the gates of hell without the right of Ekklesia, the right to make dispute and to stand up and fight against the lies made by the Catholic church.

In Bible research of the ancient languages of the Bible and ancient secular History, we discover these absolute facts. In the ancient manuscripts of both the Old and in the New Testament in written History that the God of the Bible first established the function of the name “Ekklesia” and the word Ekklesia is written many times first in the Greek Old Testament Septuagint. Be honest have you

done research to discover truth in the name Ekklesia in the Old Testament Greek so you can understand the purpose of the Greek Ekklesia for the Saints of God in the New Testament.

God did establish His “Ekklesia” to have the same function “to protect truth” about the law of God written in the Bible as did the Greeks of Greece. Take note the same purpose or function of the Ekklesia of Christ is in design for the Saints of God as a tool of God for the Saints to use to fight against the Gates of hell. “Call Out” or “the Ekklesia” is not passive as is in churches but Ekklesia is making hot militant warfare against the false teaching from the gates of hell.

God establish the name Ekklesia for His Saints. The Ekklesia is the design of God made to protect the interpretation of law of God in the entire Bible.

God gives the greatest warning to His Saints in the everlasting kingdom in the prophecy of

Daniel 7:25. You as a saint of God have been given warning; A wicked ruler will change Bible “Set Times of God” in your Bible translations (see Daniel 7:25). Take note this record of Daniel will say the wicked ruler will change “Bible set times,” “Bible laws of God” and “speak words of blasphemy” to deceive the Saints of God and the saints in the everlasting kingdom of God will be deceived by the wicked ruler. It is totally impossible to deceive the Saints of God without first making the deception in false Bible translation. We reveal in the Ekklesia Bible translation these deceptions made first by false Bible translations are made in Bible translations, first by members of the Catholic Church.

Be honest how many years have you made the study of Bible “the Astronomical Set Times” of God to worship only from the ancient Languages of the Bible and then compare to your most popular Bible translations? You cannot read Bible translations to discover any change in any

Bible astronomical miracles of the set times of God to worship. You must make your study only in the ancient most trusted Bible manuscripts.

.
We agree this is not a simple task to discover changes in the astronomical set times of God. Some understanding of Bible astronomy we must learn some astronomy first to understand astronomical miracles of God that parallel one to the other to put a great convincing power into the gospel record of the resurrection of the Christ. Take note, without this great power of God creating astronomical miracles that parallel one to the other in true Bible translations of the true Set times of God, you will not be able to convince to multiply Saints like the saints were being multiplied in the first three hundred years.

Daniel 7:25, God gives you as a Saint the warning this wicked ruler will Change the Laws of God in your Bible translations to deceive you. Be honest how many years do

you spend in research in the ancient languages of the Bible to discover the change in the laws of God in your Bible translations? Be honest, do you see mistranslated in your false Bible translations that “you are not under any law from God?”

See King James translation Rom 6:14 For sin shall not have dominion over you: for ye are not under the law, but under grace.

See the true Ekklesia Bible translation a Bible translation in the “Dynamic Equivalent” or “Thought for Thought.

Ro 6:15 What then? shall we sin, because we are not under the [the written] law [of God through Moses], but under grace? God forbid. {6:3} Or are you ignorant that all we who were immersed [in water] into Christ Y’ehsus were immersed into his death? {6:4} We were buried [in water] therefore with him through immersion [in water] unto death: that like as Christ was raised from the dead through the glory of the Father, so we also might [be spiritually resurrected to] walk in

newness of life. {6:5} For if we have become united with [him] in the likeness of his death, we shall be also [in the likeness] of his resurrection; {6:6} knowing this, that our old man was crucified with [him], that the body of sin might be done away, that so we [through the resurrection moment] should no longer be in bondage to sin; {6:7} for he that has died [from sin] is justified from sin. {6:8} But if we died [from sin] with Christ, we believe that we shall also live with him; {6:9} knowing that Christ being raised from the dead dies no more; death no more has dominion over him. {6:10} For the death that he died, he died unto sin once: but the life that he lives, he lives unto God. {6:11} Even so reckon you also yourselves to be dead unto sin, but alive unto God in Christ Y'ehsus. {6:12} Let not sin therefore reign in your mortal body, that you should obey the lusts thereof: {6:13} neither present your members unto sin [as] instruments of [illegal] works against the law; but present yourselves unto God, as alive from the dead, and your members [as] instruments of good works unto

God. {6:14} For sin shall not have dominion over you: for you are not under [written] law [through Moses], but under grace. {6:15} What then? shall we sin, because we are not under the [written] law [through Moses], but under grace? God forbid. {6:16} Know you not, that to whom you present yourselves [as] servants unto obedience, his servants you are whom you obey; whether of sin unto death, or of obedience unto [legal] works of the law [through Moses]? {6:17} But thanks be to God, that, whereas you were servants of sin, you became obedient from the heart to that form of teaching whereunto you were delivered; {6:18} and being made free from sin, you became servants of righteousness (which is legal works of the law). {6:19} I speak after the manner of men because of the infirmity of your flesh: for as you presented your members [as] servants to uncleanness and to work without law unto works of lawlessness, even so now present your members [as] servants to lawful works unto sanctification. {6:20} For when you were servants of sin, you were free in regard [to

legal works] of the law [through Moses].
{6:21} What fruit then had you at that time in the things where you are now ashamed? for the end of those things [illegal or lawless works] is death. {6:22} But now being made free from sin and become servants to God, you have your fruit [works] unto sanctification, and the end eternal life. {6:23} For [the reward or] the wages of [works of] sin is death; but the free gift of God is eternal life in Christ Y'ehsus our Lord.

King James translation Gal 5:18 But if ye be led of the Spirit, ye are not under the law.

Ekklesia Bible translation Galatians 5:18}
But if you are led by the Spirit, you are not under the [written] law [through Moses].

Then reason in the twenty-first century the Bible translators must define what law Paul has in reference.

Ekklesia Bible translation Galatians {5:6}
“For in Christ Y'ehsus only faith working through agape love avails anything.”

God gives warning to the Saints the great deceiver of the saints will create names of blasphemy in Bible translations to deceive the Saints. Be honest have you researched from the ancient languages of the Bible all the names of blasphemy that to this day are mistranslated in your most popular Bible records? Now do you even so much as call self a Saint?

God gives the Saint this warning in prophecy that to remove the established Ekklesia of Christ as the tool to fight for truth in law through the court of the Ekklesia, or Without Ekklesia the Saints of God can be divided and then they without Ekklesia will be overcome by a wicked ruler from the gates of hell.

Here is that prophecy that to this day has been fulfilled, and today we will prove the Saints of God have been overcome by a wicked ruler only because even in the twenty-first century most of the Saints no

longer have conduct of the established Ekklesia of Christ.

Ekklesia Bible translation Daniel {7:8} I considered the horns, and, behold, there came up among them another [the eleventh] horn, a little one, before which three of the first horns were plucked up by the roots: and, behold, in this [eleventh] horn were eyes like the eyes of a man, and a mouth speaking great things.

{7:20} and concerning the ten horns that were on its head, and the other [the eleventh horn] which came up, and before which three fell [down], even that [eleventh] horn that had eyes, and a mouth that spoke great things [that deceive], whose look was more stout than its fellows. {7:21} I beheld, and the same [eleventh] horn made war with the saints, and prevailed against them.

The warning in the everlasting kingdom of God the eleventh horn is a pagan Roman ruler by the name of Constantine that will start the pagan name of the Catholic Church.

This Roman ruler will prevail over the Saints by deceiving the Saints by making false Bible translations to make false religions. Take note Christ declares the Gates of hell cannot prevail over the Saint when Christ edifies his Saint through conduct of Ekklesia. See Ekklesia Bible translation Matthew {16:18} And I also say unto you, that you are Petros [the Small Stone] but in [me] this [warfare of] Petra [the unconquerable mountain fortress], I will edify [the court of] my Ekklesia; and [in the life or death warfare] the gates of Hades shall not prevail against her. Take note a translation in the Gender inclusive “Against Her” “My Ekklesia” and not the object of an “it.”

Today the Saints are loosing the battle for lost souls because of false Bible translation that remove the tools that God has established to fight the gates of hell through the conduct of Ekklesia.

The Ekklesia of Christ and the true translations of the Ekklesia Bible have the

same purpose as the Ekklesia from the Greek lawgiver Solon in ancient Athens Greece. The ancient sixth century BCE the Lawgiver Solon creates the name “Ekklesia” as warfare needed to protect the interpretation of the law from the greedy, the rich and the powerful. So where did the Greek lawgiver Solon get the Greek word Ekklesia. In my research, I am convinced that some six hundred years before the coming of the Christ, The law giver Solon copies parts of the Old Testament laws (the Torah) to give a more fair and equitable law to the Greek in Athens Greece.

In History it appears that Solon the lawgiver copies from the Hebrew Old Testament the Hebrew word Qahal and translates the word Qahal into the Greek as the word “Ekklesia.” Today in the Old Testament Greek Septuagint where the Hebrew word Qahal is now written in the Greek Septuagint is now written the Greek word “Ekklesia.”

Near Six hundred years before the coming of the Christ, The function of the Ekklesia in

Athens is the designed by Solon the lawgiver to protect the interpretation of the law or protect the source of law. The Ekklesia in Athens through dispute and then deliberate (Polemic or controlled debate the Greeks call “polemic” a warfare that is to be made before the entire congregation and voted by the majority to protect truth in the law.

The warfare of Ekklesia is the tool of God needed to protect the law of God. After deliberation on any dispute over an instruction making the false claim to be from God, then entire Ekklesia vote to determine what truth is after the dispute and deliberation. Then the same Greek word Ekklesia is written into the New Testament Ekklesia as the tool of God needed to protect the source of law from many sources of lies being taught that lead only into the gates of hell. The gates of hell will always misinterpret the laws of God. The gates of hell will always make false Bible translations. In the twenty-first century, there are false Bible translations and their sources

clearly are directly from out of the gates of hell. To this day the gates of hell even remove completely the laws of God from the Bible records to make the New Testament record say that the Saints of God are not under any law from God.

Christ gives us warning that on him as the “Petra,” when he edifies his Ekklesia, the Gates of “Hades” or “Hell’ will not prevail over his Ekklesia (Mat 16:18). Not once in the ancient languages of the Bible did the Bible writers write the false word “Church” or any word equivalent to the word “Church.” The word “church” clearly is a name of blasphemy that is mistranslated into all the more popular Bible translations.

In secular History we discover the disciple of the devil hate with a passion the Ekklesia established by God to protect truth of the Bible. God establish the function of His Ekklesia to protect law.

To begin to teach just one little lie and then some one raise a dispute about the devil from the gates of hell that is teaching a false instruction (catechism) and making the false claim to be from God.

Then after the dispute is made before the entire Ekklesia when the devils will teach little lie from the gates that little lie will lead the Saints into hell then there must be made a dispute and the Saints must go before the entire Ekklesia and deliberate the dispute to settle any dispute and unite the Saints. The devil must prove only from the ancient languages of the Bible that he is telling the truth about some false instruction He is making the claim to be from God. Then the disciples of the devil hate with a passion the purpose God has established for His Ekklesia and with a passion of hate because the devil cannot teach the Ekklesia a lie as being true instructions from God.

Then in the early fourth century one disciple of the devils named Constantine the Great

could not teach lies to the Saint because the Saint had Ekklesia. So the emperor Constantine decides he knows how to stop the hated conduct of the established Ekklesia of Christ that is written in his Catholic Latin Vulgate Bible. The word Ecclesiam is written hundreds of times as the Latin word “Ecclesiam.” The name “Church” is not found written just once in the Catholic Latin Vulgate Bible, but only the true name Ecclesiam (a transliteration of the Greek name Ekklesia from the Greek Vatican codex). So the emperor Constantia hate Ekklesia and put a stop to Ekklesia and he started a “Circe” that over a thousand years the Latin name “Circe’ evolves to become the modern word “Church.”

So for your salvation be honest, why did the Catholic church at the first translate your Bible into English (the Wycliffe Bible) with the false word church when the word church is not written just once in her Latin Vulgate Bible translation?

The word Ecclesiam is actually written in the Latin vulgate of the Catholic Church. Then take careful note the blasphemous name “Church” is not found written just once in the Catholic Vatican codex or the Latin Vulgate. The word “church” in all Bible translation is a copy only from out of the Catholic Catechism and not a true Bible translation from any ancient Bible manuscript.

Extra Ecclesiam Nulla Salus”

Outside the Ekklesia There is No Salvation Catholic Church is teach this record is saying out side the Catholic church you will not be saved. Look the word Church in not in this statement.

The Catholic Church gives us the warning that if you are not a Catholic -in the Latin Ecclesiam or the Ekklesia of Christ” Then you are not in a church of the Catholics and you will not be saved. Can you see this twisting of truth?

Do not overlook this fact, the ancient Roman Saints were in the first to the third

century teaching all the Saints of God and they gave this warning, outside the Ecclesiam or Ekklesia of Christ no one will be saved. Again note this very important fact, the word Church is not written just once in the entire first translated Bible of the Latin Vulgate of the Catholic Church. The false word Church is written only in the Catholic Catechism. So why would anyone want to become a part of any Church?

Question here,” if the word “church” is not written just once in the first translated Roman Catholic Bible the Catholic Latin Vulgate, then for your salvation why would you allow the blasphemous word “church” to be written in your Bible translation?

In the ante-Nicene period through the Investiture-Controversy

The Name and the conduct of the Ecclesiam is stopped and the Catholic church made a name of blasphemy to replace Ekklesia as a “Church.”

Here is what all the persecuted “Roman Christians” taught for the first three hundred years after the resurrection of the Christ,
“Extra Ecclesiam Nulla Salus”
Outside the Ekklesia There is No Salvation

“Extra Ecclesiam Nulla Salus”
Today the Catholic Church is teaching the above is saying;
Outside the Catholic Church There is No Salvation.

Be honest do you see the word “church” in this statement: Extra Ecclesiam Nulla Salus Remember the Catholic Church also teaches there is a mysterious difference between Church and the Ekklesia and only the Pope knows what the difference is.

The Catholic Church today is teaching there is a mystical difference between the Catholic “church and the Ekklesia that God did establish this greatest mystery for the Christians and only the initiated can know what the answer is.

If you overlook this fact, There is no salvation outside the Ekklesia of Christ, you will misunderstand what is so important for your salvation. Now look, there is no word “Church” written in the translated Roman Catholic Latin Bible of the Catholic Church. You as a Bible Student must discover -Why is the name “Church” not written just once in the Catholic Latin Bible? The why is the word Church mistranslated in Bibles? The false word church is mistranslated in your Bible for the only purpose to deceive you and to protect the false teaching of the Catholic Catechism of the Catholic Church. The word Church is mistranslated in Bibles only to keep the members of the Catholic Church from learning there is no name “Church” written just once in the entire Bible records. If the Catholic members do not know there is no written word Church written in the Bible, they will never know that they must be in the Ekklesia of Christ to be saved.

The false word church is mistranslated from the Greek name Ekklesia into your Bible but

to deceive you and to stop you from becoming saved in the true God established Ekklesia of Christ.

Study the world of difference in the purpose of the warfare of Ekklesia when comparing to the passive conduct of a “Church.” The English word church is “Passive” meaning that you are not allowed to make any dispute against any one teaching any false instruction from the catechism or teaching lies from the Bible. What will you choose for your salvation a Church that is established by the Catholic Church or the “Ekklesia” established by Christ for your salvation?
