Run a search on the internet “Who gave pagan names to the days of the week in the Bible?”

Answer: The Babylonians **named their days** after the five planetary bodies known to them (Tuesday through Saturday) and after the Sun and Moon (Sunday and Monday

The Egyptians start their Days first at midnight that requires two revolutions of the earth upon its axis to get two different dark periods.

Do you agree that your god of your days of the Bible is just as pagan as the same gods of the Babylonians and the Egyptians? It is true for over seventeen hundred years the larger groups of “Christians” are keeping a total different time keeping system a pagan time keeping system for their translated Bibles.

We have hundreds of articles made over forty years warning the holy people of God to come out of their paganism of the Catholic church or God will surely reject them..

Beware of The Devil's Most Dangerous Bible Translation is Mark 16:1-2

Everywhere in the Bible you have been warned that Devils make false Bible translations. Mark 16:1-2 is the most dangerous of all false Bible translation that is made by devils in all the most popular Bibles and also in most all the not so popular Bible translations.

Devils will also translate their Bibles to teach false, when they teach that the Christ is lying when he gives warning that we can be deceived by devils and the deception made by devils in false Bible translations will cause us to lose our salvation.

Mistranslated In all the most popular Bibles
~~Mark 16:1-2~~ In all the most popular Bibles,
Mark 16:1-2 a false Bible translation made by the devils to appear to be completely harmless but like a hidden rattle snake after one is bitten,

Mark 16:1-2 is the most deadly of all Bible translation in all the more popular Bible translations.

Take careful note, to be able to deceive the Holy People of God the Devil must first make false Bible translations (such as in the false record of Mark 16:1-2) The devils must be the most clever and ingenious and the most adroit Bible translator before he or she can mistranslate the Bible that will deceive the Holy People of God . Holy people of God are not stupid. As intelligent as the holy people of God are, in prophecy they record declares that they will be deceived and in their deceit God will give the deceived holy people over to the hand of their wicked deceiver.

Take note this prophecy is for “the Everlasting Kingdom of God.” The Ekklesia Bible translation Daniel {7:23} ***Thus he said, The fourth beast shall be a fourth kingdom upon earth, which shall be different from all the kingdoms, and shall devour the entire***

earth, and shall tread it down, and break it in pieces.

{7:24} And as for the ten horns, out of this kingdom shall ten kings arise: and another [the eleventh horn] shall arise after them; and he shall be different from the [other kings], and he shall defeat three kings.

{7:25} And he [the eleventh horn] shall speak [blasphemous] words against the Most High, and [the blasphemous words] shall deceive the Holy People of the Most High; and he shall think [he can] change the set times [to worship] and [change] the laws [of the most high]; and they [the deceived Holy People] shall be given into his hand until a time and times and the dividing [of the Holy People] for a time.

In History the eleventh Horn is Constantine (see the changes in “set times” to worship from the resurrection in the evening to the false resurrection in the morning in the Edict of Constantine CE 321

For your eternal salvation, if you accept this one false translated record saying the women coming to the empty tomb on Sunday after Sunrise and the women will Purchase spices after midnight on Sunday, the eternal consequence for that false Bible translation is so astronomical, so complex in your deception and is made so completely complicated by the devils that there remains little hope for you in your total deception.

If in your mind you can not recognized this false Bible translation of Mark 16:1 the end results for your deception made by devils is for you the most catastrophic more than a rattle snake bite. If could see the damage from this false Translation you wouk not sleep until you have made cetain you have the truth.

Let us examine how devils make false Bible translations in Mark 16:1-2 with the only purpose to rob you of your eternal life.

For your eternal salvation, learn the truth what the devils have done in false Bible translations to deceive you such as this false Bible translation of Mark 16:1-2.

This most dangerous Bible translation is made by clever manipulations of the devils is not the only purpose devils deceive you and rob you of eternal life.

Devils have a more important purpose than just wanting to deceive you; devils want to make this false Bible translation in Mark 16:1-2 to protect the false teaching of a Sunday resurrection of the Catholic Catechism that is taught first by the Catholic Church.

We warn you that if you are made to believe this false Bible translation of Mark 16:1-2, may well rob you of your eternal life. You read this verse and this record is saying that the women purchase spices -after the seventh day Sabbath on the day of the sun god or Sunday which is the first day of the seven cycles of the seven day solar “week” of the seven sky gods. This one false Bible

translation will establish the pagan time keeping for the entire Bible.

In astronomy the study of time the word “week” is described in the study of time by astronomers is identified as “solar days” that begin to be measured artificially with instruments at Midnight.

Bible days are not measure artificially with clocks but are measured naturally only with the eye from dusk of the evening

Archbishop Stephen Langton of the Catholic Church has made Chapter numbers for all translated Bibles in the entire world -except the Ekklesia Bible translation. Take note this a true Bible translation but to deceive you, the record is placed in the wrong chapter by the archbishop Stephen Langton of the Catholic Church Mark 16:1 ***And when the***

Sabbath was past, Mary Magdalene, and Mary the mother of James, and Salome, bought spices, that they might come and anoint him.

Again take note a true Bible translation but “What Sabbath is Past?” (see parallel verse Luke 23:56).

Take careful note, what makes this verse Mark 16:1 appear to be completely harmless is, the translation of this verse is a true and exact Bible translation. What makes this a dangerous Bible translation is, this record of the purchase of spices is misplaced in the wrong chapter with the the only purpose to deceive you and protect the Catholic Catechism of the false sunrise resurrection..

The Reason for misplacing this record of the purchase of spices to be made –After the seventh day Sabbath is made by devils to protect the false teaching of a Sunday morning resurrection that is taught in the Catholic Catechism.

Yes it was a member of the Catholic Church, the archbishop Stephen Langton, A devil that has made Chapter numbers for all the more popular Bible translations.

Did you know that all your Bible chapter numbers are made and are very cleverly manipulated to deceive you by the archbishop Stephen Langton, a member of the Catholic Church?

In the twelfth century Archbishop Stephen Langton made chapter numbers for the Latin vulgate Bible translation. All translated Bibles -except the Ekklesia Bible translation, copy chapters made by the archbishop Stephen Langton for the Latin Vulgate of the Catholic Church. To complete this deception in your

English Bible translations, in about 1385 CE

John Wycliffe, a member of the Catholic Church will make the first English Bible translation. Wycliffe Bible translation is not a Bible translations from any ancient manuscript. The Wycliffe Bible is a copy made only from the Latin Vulgate and the blasphemous words and names are a copy from the false teaching of the Catholic Catechism. All the more Popular translated Bibles copy pagans parts of the Wycliffe Bible copied from the Catholic Catechism.

Now your Bible translators will translate false the record of Mark 16:1-2 to say “the first Bible week day is a pagan calendar of the sun god or Sunday” (or the Bible “week day” is the Bible week day “of the sun god”).

Note carefully the Greek record that is mistranslated in Mark 16:2 -did say the word “week.” Mark 16:2 the Greek word Sabbaton is mistranslated as a “week.”

The natural eye measure of the seven day solar cycles of the “Sabbaton” is not the same

word equivalent as the artificial clock measure of a seven day solar cycles of the word “week” (of the seven pagan sky gods.

Think seriously of your civil day of your “week” of the seven pagan sky gods as being the same as your Bible

days of seven pagan sky gods. Just how pagan is your Bible translation?

(1) The Bible “week” day of the sun god Ra or Sunday is the first day of the week of the seven sky gods.

(2) Monday or the god of Moon day is the second Bible day of the seven sky gods. The moon goddess Artemis came to be associated with Selene,

(3) “Tuesday” is the third Bible “week” day of the war god “Twi.”

If the measure of a Bible Sabbaton is not the same measure of the week of the seven sky gods, then the Bible Sabbaton can not be correctly translated as a Bible “week.” The Greek word Sabbaton has no word equivalent in the English language. Proof here is how the Sabbaton of God in the Bible is to be measured.

See in the Greek Septuagint how the word Sabbaton is written and is to be measured from dusk of the evening in Leviticus 23. . . {23:31} you shall do no manner of work: it is a statute for ever throughout your generations in all your dwellings. {23:32} It shall be unto you a Sabbaton of solemn rest, and you shall afflict your souls: in the ninth day of the moon at [dusk of} even, from [dusk of] even unto [dusk of] even, shall you keep your Sabbaton.

Then you question what could be so bad about this Bible translation that is made to say that the women will purchase spices - after the seventh day Sabbath on the first

day of the week of the seven sky gods or Sunday?

This false Bible translation is making the hard contradiction to the parallel record of the same women and the same record of the purchase of spice is made -before the seventh day Sabbath in Luke chapter 23.

23:49} *And all his acquaintance, and the women that followed with him from Galilee, stood afar off, seeing these things. {23:50} And behold, a man named Joseph, who was a councilor, a good and righteous man {23:51} (he had not consented to their counsel and deed), [a man] of Arimathaea, a city of the Jews, who was looking for the kingdom of God: {23:52} this man went to Pilate, and asked for the body of Y'ehsus. {23:53} And he took it down, and wrapped it in a linen cloth, and laid him in a tomb that was hewn in stone, where never man had yet lain. {23:54} And it [the crucifixion] was [on] the day the Preparation, and the [high Passover] Sabbath was [epiphosko] beginning to light up the night [of the new solar day for the time to eat the Passover].*

{23:55} And the women, who had come with him out of Galilee, followed after, and beheld the tomb, and how his body was laid. {23:56} And they [the women] returned [after the Passover Sabbath], and prepared spices and ointments. And on the [seventh] Sabbath [day] they rested according to the commandment.

[Amplifying in brackets is mine and take note the amplifying does not change truth in understanding “Dynamic Equivalent” or “thought for thought” from any Bible translation in any other Bible.] This record of Luke reveals the purchase of spices is made by the women in the record of Mark is made clear the day before the seventh day Sabbath. Take note it is the same women in the record of Luke or the same women that purchase spices in the record of Mark. Then to make a true Bible translation the record of the purchase of spices by Mark should be placed in the end of chapter 15 to make the record parallel

to the same record of the purchase of Spices at the end of Luke chapter 23.

See how the Ekklesia Bible translates Mark 5:48. and in Mark 16:1-2.

Mark 16:1 is the third visit to the tomb by Maria Magdalene. Then take note, as the third visit to the tomb, there is no apparent contradiction in Mark 16:7. The women in this visit to the tomb will not go and tell anyone because the record clearly is teaching that they have already gone to tell everyone some twelve hours earlier at the true resurrection moment of the Christ.
