

A Masterpiece of Bible Deception

The Holy Ekklesia Bible translation exposes the most deadly deception made by the Archbishop Stephen Langton of the Catholic Church and his masterpiece of deception made in Mark 16:1.

The very clever and adroit art of deception even the Devil has to take a back seat to the archbishop Stephen Langton in the most dangerous and the most serious of all Bible translations in all of the popular Bibles.

The cleverest of all deceptions that will rob billions of their eternal life is Mark 16:1 when teaching the women purchase spices after midnight on Sunday. When you show this deception to Bible scholars most all are so deceived by the massive lie they think it is not possible that they could be deceived by the clever archbishop Stephen Langton of the Catholic Church.

What the archbishop has manipulated in chapter numbers in Bibles to deceive the entire world is written in every popular Bible in the entire world for over seven hundred years. Archbishop Stephen Langton was allowed to make chapter numbers for the Latin Vulgate Bible of the Catholic Church. The Bible chapter numbers made by the Archbishop Langton is today copied by every popular translated Bible in the entire world.

With a passion for truth and hatred for the deceiving false pagan Catechism of the Catholic Church the Holy Ekklesia Bible translators are removing from out of the Holy Ekklesia Bible all the false Catholic Catechism. The entire written pagan influences of the Catholic Catechism found written in all other Bible translations is completely removed from out of the Holy Ekklesia Bible translation. There is no other translated Bible in the entire world as near the virgin Bible translation as the Holy Ekklesia Bible that removes from out of the Ekklesia Bible all pagan influences of the Catholic Catechism.

A Clever And Adroit Masterpiece of Bible Deception

The Ekklesia Bible translation exposes the most deadly deception made by the Archbishop Stephen Langton of the Catholic Church and his masterpiece of deception made in Mark 16:1

The very clever and adroit art of deception even the Devil has to take a back seat to the archbishop Stephen Langton when in his very ingenious clever chapter manipulation creates the total deception in all Bibles of the world. For over seven hundred years this false Bible translation has been the most

dangerous and the most serious of all Bible translations. Billions of lovers of truth, the highly educated Bible preachers and Bible students, the higher educated scientists and the higher educated people are made to doubt and to hate God and hate the Bible from this one false Bible translation of Mark 16:1.

When you show this deception of devils manipulating Bible chapter numbers to deceive and to change the resurrection of Christ from a sunset to a sunrise resurrection most Bible scholars are so mesmerized by living their everyday civil life in the sidereal time mode they cannot see the deception or what truth is. Most Bible scholars have no idea what is the ancient pagan religion of the artificial sidereal time of the week days of the seven pagan sky gods. If most Bible scholars could recognize the deception of Mark 16:1 they would have corrected false Bible translation centuries ago.

Most Bible translators are totally ignorant of the differences in time mode of natural occurring Bible solar days (from evening to evening) from the Catholic pagan religion of the Catholic Church the artificial sidereal time mode of the sidereal week days of the seven pagan sky gods that start the day at midnight and end it at midnight.

Most people are so deceived by the massive lies of the sidereal week days. They keep their civil calendar, they think it is not possible that they could be deceived by the clever archbishop Stephen Langton of the Catholic Church.

Clever Bible translations from trickery implies ingenious and adroit manipulation of the Bible records with the only purpose to deceive what ruling Catholics hate is the Bibles of the protestants. Ruling Catholics could care less that they rob you of your eternal life in making false Bible translations in your Bibles.

The only purpose of subterfuge of the ruling members of the Catholic Church is to twist the Bible records to make the Bible teach the same pagan religious calendar of sidereal time mode as is taught in the false catholic Catechism of the Catholic Church.

Which Sabbath? In the record of seven days in the passion of Christ, his death, burial and resurrection there is counted two Sabbaths. In the passion of Christ there was the high Sabbath of keeping the "Passover" and the

regular seventh day Sabbath. Take note only the Passover Sabbath was past when the women made the purchase of spices -before the seventh day Sabbath (see Luke 23:55-56).

What makes the deception easy is the fact that the women did purchase spices after a "Sabbath day." Which Sabbath day? Every Bible is teaching the women purchase spices for the dead body of Christ after the "Passover Sabbath." All translated Bibles are teaching that the same women purchased the spices after the Passover Sabbath but before the seventh day Sabbath (Luke 23:55-56).

Archbishop Stephen Langton is very clever to make a hard contradiction of Luke 23:55-56 when he twists to place chapter numbers the record of Mark to 16:1. Langton will manipulate the purchase of spices by twisting chapter numbers to make the Bible records teach the purchase of spices was made - after the seventh day Sabbath. The purpose the Archbishop was to make the purchase of Spices appear to be a part of the resurrection of Christ.

Archbishop Steven Langton in his twisting chapter numbers made the Bible record appear to teach that the women will purchase spices on Sunday Morning after the seventh day Sabbath in Mark 16:1. This false record of a purchase of spices on Sunday morning is making a complete wreck out of the entire false translated Bible. Every prophecy of "time" is destroyed by this one false Bible translation of Mark 16:1. Even the entire creation record and what all of modern scientists declare to be the Big Bang moment of creation is completely destroyed by the one false Bible translation of Mark 16:1. The majority of all astrophysicists, astronomers and the most elite of all scientists of the entire world hate God and hate the Bible from this one false Bible translation of Mark 16:1 that cause to change to make other false Bible translations in the other resurrection records.

This is the true translation of the purchase of spices from the Holy Ekklesia Bible. Take careful note the purchase of spices in the Ekklesia Bible is located in the end of chapter 15 and the purchase of spices has nothing to do with the resurrection moment of Christ.

Mark {15:48} And when the [Passover] Sabbath was past, Maria Magdalene, and Maria the [mother] of James, and Salome, bought spices, that they might come and anoint him. (*see parallel record of Luke 23:56)

Take note how in the Holy Ekklesia Bible Mark 16:1 reads completely different from all false translated Bibles.

The Ekklesia Bible translation of Mark {N2)16} Mark 16. Chapter Sixteen. {16:1} And very early [morning] when [day] One of the Sabbaton [is half past], they [the women] come [again] to the tomb when the sun was risen.
