

How precious is your eternal salvation?

There is a world of “Christian devils” the Judas of the ages that hate strict conservative Bible believers because they hate the Bible and they hate the instructions that are written in the Bible.

Did you let these same devils put their sidereal time mode into your Bible when they mistranslate your Bible with only one purpose to rob you of your eternal life? A artificial *sidereal day* measures the rotation of Earth relative to the *stars* rather than the Bible Solar day is hours (moments) by the sun and without clocks. God made solar days to be measured only with the eye, billions of years before there ever was the sidereal time mode or a clock to measure sidereal time.

Natural Space Time Mode
Do you even know for your eternal life the world of difference between sidereal time modes mistranslated by devils in false translated Bibles from the natural occurring space time mode in which the entire Bible is written?

I warn you that your eternal life depends on you learning truth of Bibles mistranslated in the sidereal time mode from Bible translated correct in the natural occurring space time mode.

See the Holy Ekklesia Bible translation that removes from this Bible translation all influences of all false Catholic Catechism.

The true solar Bible day written in the natural time mode is measured from dusk (beginning dark) of the evening on “day one of the seven day solar Sabbathon. The beginning dark on the night of day one is a solar cycle of the same exact moment that God creates the beginning dark and the universe (Genesis 1:1-2).

The ancient pagan religion of the solar sidereal day is and artificial day that is measured from midnight unto the next midnight.

For your eternal life do you know which of these two very different time modes is your Bible translated? For your eternal life, look in Matthew 28:1 and see how is your Bible

translated in the record of the resurrection moment of Christ? Does you translated Bible teach Christ resurrects on the first day of the sidereal week? A "week" or the feminine "Wucu" of artificial solar days is a pagan religious calendar of the ancient Romans, the Egyptians, and the Babylonians that starts artificially at midnight.

Genesis 1:1 natural occurring space time begins with the dusk of the evening and ends with the dusk of the next consecutive evening.

In the natural time mode the Christ resurrect at dusk of the evening on "day one of the Sabbaton" (Mat 28:1). In natural space time mode there is no clocks or other instruments used to measure Bible time or any set Bible time event. Natural Bible time is measured only with your eye as you do naturally measure time when you do not have an instrument such as a clock that measures time.

In the artificial sidereal time mode of the week days the true resurrection moment of Christ is at dusk of Saturday night.

Take note; when Bibles are translated in the natural time mode there is five examples of Christ and disciples gathering to worship in the night of the resurrection. See written these five times to gather and to worship at the resurrection moment of Christ in the Ekklesia Bible translation John 20:19; John 20:26; Acts 2:1; Acts 13:42-44; Acts 20:7. In all humility have you ever celebrated the Lord's supper at the true resurrection moment of the Christ on the night of day one of the seven day solar Sabbaton?

In the pagan sidereal time mode the Christ is mistranslated in all popular Bibles by the rulers of the Catholic Church is to resurrect Christ at sunrise on the first day of the artificial sidereal week day (of the names of seven pagan sky gods) (see in popular Bibles Mat 28:1). The purpose of ruling Catholics is to mistranslate the Bibles of Protestants and to make the Bibles of Protestants to teach the same sunrise resurrection as the false Catholic Catechism. When the Bibles of protestants are made to teach the same false resurrection as the catholic catechisms then the Protestants cannot rebuke or teach against the false Sunday sunrise worship of keeping the catholic sunrise Sunday morning Eucharist.

If you have allowed devils to translate your Bible in the sidereal time mode of the week days of the seven pagan sky gods then mistranslated sidereal time mode is making your Bible a cripple and a total wreck out of your false mistranslated Bible.

Pagan artificial sidereal time mode when mistranslated in Bibles is the primary cause (from a Poll) for over ninety three (93) percent of all elite Scientists to hate the Bible and to hate the God of the Bible (see the poll on You-Tube give by the atheist and astrophysicist Neil deGrasse Tyson "Can Science And Religion Co-Exist. You see the higher educated in the sciences study to know the world of

difference between natural occurring space time from the pagan religion of the artificial sidereal week days of the seven pagan sky gods.

Look in your Bible and for your eternal life discover does your Bible teach false in Mark 16:1-2 that the women will purchase spices after midnight of Sunday.

Does your Bible teach the mistranslated lie into your Bible by the archbishop Stephen Langton of the Catholic church when he is very clever to manipulate chapter numbers in your Bible that teach the lie that the women will purchase spices after the seventh day Sabbath to put on the dead body of Christ; when Christ is recorded in the natural occurring time mode to have been resurrected for over twelve hours earlier?

The clever archbishop of the Catholic church Stephen Langton by manipulating chapter numbers the archbishop will make the women appear to purchase spices after midnight on the first day of the sidereal week day (of the seven pagan sky gods)?

Your worship made to God and your eternal life depends on you knowing truth about the true resurrection moment of the Christ.

Look the parallel record of Luke 23:55-56 is teaching these same women made the purchase of spices after the "Passover Sabbath" but -before the Seventh day Sabbath.

Are you a strict ultra conservative Bible believer but are you penny wise to be a strict conservative Bible believer but have you become a pound fool when you let devils mistranslate your instructions written in false Bible translations?

We are saved by keeping the lawful instructions written in the Bible.

1Timothy {4:15} Be diligent in these things; give yourself wholly to them; that your progress may be manifest unto all. {4:16} Take heed to yourself, and to the instructions. Continue in these things; for in doing these [lawful works] you shall save both yourself and them that hear you.

"Know the truth" because it is the knowing of truth that will make us free from sin (John 8:32).

All English Bibles are a translation from the ancient languages of the Bible. Who have you let influence your most precious written instruction written in your Bible translation? Would you let devils influence the instructions in your Bible translations and rob you of your eternal life? Agape
